
Creativity: Thinking for a change | Term One, 2024

Take a huge leap into your creative journey by challenging yourself in a supportive, collaborative way, and have loads of fun while you do it.

'Creativity: Thinking for a Change' (C.T.F.A.C.) is where you'll learn more about yourself, your motivation, your deeper goals, and how to use the 'creative spiral'. Work through a range of experimental exercises to invigorate your creativity and learn new art-making skills.

Suitable for all levels.

Content

Work through a range of exercises and discussions involving creative thinking, goal setting, and group-based actions as well as a series of painting, drawing, and collage activities. Use art making to experience and understand creativity processes.
