## TERM 3: Painting - Creating a Strategy for Success

| Term Three, 2024

---

Do you have a strategy for developing your art?  
Sometimes we don't know what to improve and can often become blocked.  
This class will help you to develop your artistic voice, providing a practical pathway to improve and sustain your unique painting and art practice.  
Suitable for all levels.

---

### Content

- \* Finding consistency, recognisability and uniqueness
- \* Beyond the visual spectacle
- \* Presentation and curation
- \* Dealing with blocks
- \* The right inspiration and refinement for you

### Objectives

- \* Develop a plan for self-improvement in your painting
- \* Refine your own work to grow creatively
- \* Find your voice

### Outcomes

Learn how to gain a sustainable, creative painting practice through recognising and developing your unique 'voice'.
