

Reflect, revisit, recharge. This class has been designed so you can make the most out of your time here at TLC. The week will involve fun, collaborative activities and discussions, as well as time to develop your own themes and sense of direction with your upcoming creative projects for the rest of 2024 and beyond. We will also have guest artists visit to share their experiences and ideas on sustaining their own creativity. Suitable for all levels.

Content

Reflect on past achievements

- * Set new creative goals
- * Visualising - develop themes and ideas for your ongoing creative practice
- * Group activities, korero and collaborative learning
- * Guest artists discussing how they sustain their creative practice

Objectives

Set creative goals you wish to aspire to, as well as the steps to get there

- * Develop starting points for creativity projects
- * Develop a sense of group synergy
- * Visual diary used as a creative tool
- * Develop ways to articulate your creative practice

Outcomes

By reflecting on past creative achievements and manifesting future creative possibilities you will have a clearer vision of what you wish to achieve during your time at TLC and beyond.
