

Here's your opportunity to explore and develop uniqueness in your work.

We can explore the practice of creative painting, from selection of the most appropriate brush, evolving your own colour palette, through to the completion and presentation of the finished work.

You can work on your own, on new or existing paintings or be shown techniques appropriate to your styles.

A few of topics we will cover include - choice of subject, composition and perspective, light on dark or dark on light, mediums, glazing, layers, affordable presentation, materials/techniques and more.

Suitable for all levels.
